## Sticky Knowledge

## Music

A 4 beat action game is when the leader will call with 4 actions and the rest will respond and copy the 4 actions.

Some percussion instruments are tuned or un tuned.

## Key Vocabulary

Tuned percussion instruments are tuned and have notes like the glockenspiel and xylophone.

Un tuned percussion instruments are those that have no definite tune like the bass drum, cymbals and castanets.

It is important to sing with good diction.

Maracas, Timpani, Triangle, Tambourine and Snare Drum are all types of percussion instruments.
