

English

During this term, children will look at a range of Fantasy, Explanation texts, texts and Play scripts. Children will begin by reading and analysing 'The Firework-Maker's Daughter' by Pullman and writing their own fantasy story using ideas from the book. We will be developing our writing using subordinate clauses, fronted adverbials and conjunctions.

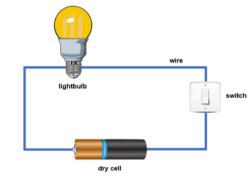

Maths

Autumn term year 4 we will further develop our **place value, addition and subtraction, and multiplication and division** knowledge. Our focus this term is to develop children's ability to use their knowledge to solve problems and reasoning style questions by developing their ability to apply the taught skills. We will practise the online year 4 multiplication test questions in class daily.

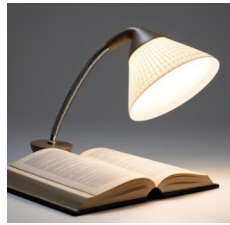

Science

Children will learn to construct a simple series **electrical circuit**, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers. They will make different types of circuits investigating common conductors and insulators.

Design Technology

Drawing on their learning from science, children will **research, design, make and evaluate** a product incorporating an electrical circuit. We will research, design and invent a re3ading lamp using circuits and materials.

Personal, Social and Health Education

"How can we manage our feelings?"
We will discuss how everyday things can affect our feelings · how feelings change over time · the importance of expressing feelings and talking to an adult when we need help.

Computing

In our lessons, we will be using 2Code to complete some **simple programming** and we will revise our understanding of **E-safety**. Please reinforce safety online with your child at home.

Religious Education

Are all churches **the same?** We will learn about the values associated with each religion and find ways in which they are similar and ways in which they are different.

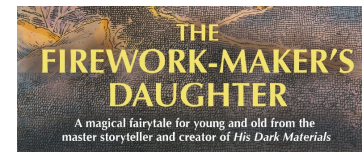

French

We will listen to, recognise and say colours and classroom commands. We will continue to say longer French utterances, e.g. 'je m'appelle ____' meaning 'my name is ____'.

Autumn Term 2025 Sparks May Fly Year 4

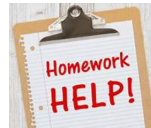

Physical Education

During PE, we will learn how to show confident signs of effective decision-making and signs of critical thinking and judgement individually and as a team. Outdoor Learning - pupils will have the opportunity to develop problem solving skills.

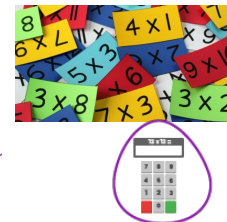

Homework

Homework will consist of English, Maths, Spellings, Reading and other exciting activities. Some activities will be online and other activities can be found on the weekly homework grids. www.purplemash.com & www.mathletics.co.uk - Children have stuck their passwords inside reading records.

Year 4 Multiplication Test

The multiplication tables check is an online test for pupils in Year 4. Pupils are asked to answer 25 questions on times tables from two to 12. Use the following website to [practise the multiplication facts and test] www.purplemash.com & www.urbrainiy.com

Music

We are very lucky to welcome Mr Ross into school this year. He is an expert musician and will be teaching all year 4 pupils how to play the ukulele.
