

# LITTLE EXPLORER CHALLENGES

## SPRING 2

**PLEASE FIND A SELECTION OF ACTIVITIES THAT YOU CAN ENJOY DOING WITH YOUR CHILD WHILE AT HOME. ALL OF THESE ACTIVITIES LINK TO OUR LEARNING HAPPENING IN NURSERY.**

**TALK WITH YOUR CHILD ABOUT DIFFERENT PETS AND WHERE THEY LIVE (FOR EXAMPLE: DOG-KENNEL, FISH-TANK, BIRD-CAGE). YOU CAN DRAW PICTURES OR TALK ABOUT PETS YOU KNOW.**

**USING BOXES OR RECYCLED MATERIALS, HELP YOUR CHILD BUILD A HOME FOR A TOY ANIMAL OR FAVOURITE PET. TALK ABOUT WHY THE PET NEEDS SHELTER.**

**ASK YOUR CHILD TO DRAW OR TALK ABOUT WHERE A PET SLEEPS. IF YOU DON'T HAVE A PET, THEY CAN CHOOSE A FAVOURITE ANIMAL OR SOFT TOY.**

**IF YOU HAVE A PET, LET YOUR CHILD HELP WITH A SMALL TASK SUCH AS FILLING A WATER BOWL OR WATCHING FISH BEING FED. TALK ABOUT HOW PETS NEED CARE.**

**WHILE OUTSIDE OR AT HOME, LOOK FOR ANIMAL HOMES SUCH AS BIRD NESTS, SPIDER WEBS, OR KENNELS. TALK ABOUT WHAT MAKES THEM SAFE PLACES TO LIVE.**

**SHARE A STORY ABOUT A PET AND TALK ABOUT WHERE THE ANIMAL LIVES AND HOW IT IS LOOKED AFTER.**

**ENCOURAGE YOUR CHILD TO DRAW A PET THEY WOULD LOVE AND THE HOME IT WOULD NEED.**

**USING TOYS OR PICTURES, HELP YOUR CHILD SORT PETS INTO GROUPS (PETS THAT LIVE INSIDE, OUTSIDE, OR IN WATER).**

**HAVE FUN MAKING ANIMAL SOUNDS TOGETHER AND TALKING ABOUT WHERE EACH ANIMAL LIVES.**

**TALK WITH YOUR CHILD ABOUT WHO LIVES IN YOUR HOME AND HOW YOU KEEP EVERYONE (INCLUDING PETS) SAFE AND COMFORTABLE**
