- Successfully roll an object to hit far away targets/areas.
- Roll an object with good technique.
- Successfully roll an object to hit far away targets/areas.

For every cone hit the child will earn a point, but make sure to take turns to each try to earn points.

The children will need to perform accurate underarm throws as a bad throw will result in the thrower being out and not the catcher. Allow children to play different players for different results!

Question
