

Year 6 Autumn 1

Project Based Learning and Mindfulness

- Understand different team roles and responsibilities.
- Work together in pairs, small groups or in teams.
- Understand the expectations of working together as a team.
- Communicate with others during game scenarios and pass on vital information.
- Communicate using non-verbal communication methods to outwit others.
- Make effective decisions in pairs, small groups or teams.
- Make effective decisions to overcome challenges, thinking about different scenarios.
- Organise others in problem solving challenges.
- Become a good role model/leader and delegate roles and objectives to others.
- Use time effectively to complete tasks.
- Think of different scenarios and solutions to problems.
- Critically think of different solutions and different outcomes.

Children must try to tie knots onto the quoit and carry it across the playing area, around the other tall cone and back to the start. Children are not allowed to touch the quoit and it cannot touch the floor.

Question

Can you find solutions to outwit opponents?

Vocabulary

Roles, responsibilities, expectations, teams, communicate, game scenarios, effective decisions, leader, delegate, solutions, critical thinking.
