I would recommend Cedars Primary School to another family	100% <b>strongly agreed</b> / <b>agreed</b>	 <p>Strongly agree: 27 (77%)</p>

**Any other comments**

Carry on with the high standards, my daughter is leaving as she is in year 6 and has had an amazing journey with cedars, thank you for everything you have done to educate my children

Happy with the way things are done

Excellent school

My children love the school and everything about it . There's nothing I can think of that cedars isn't already doing

Nothing just carry on as you are!

School is very good with all things

Hi, I'm really happy that my girls are part of this school. I couldn't dream of a better place for my daughters, they are happy every morning, motivated to learn and explore new things, they feel family atmosphere the school has a professional and friendly staff, to sum up, we've had a great year and we're going on holiday with lots of memories. Thank you so much 😊 !

Great staff great communication great environment for the children to thrive in and learn in

You said	We plan to do / already do
<p>Parents Evenings are brilliant but there is a lot that happens in between. Maybe a call offered to parents for a progress update would be helpful every term.</p> <p>They should be a parents teacher meeting every month</p>	<p>We hold 3 parents evenings a year and mini reports &amp; end of year reports are shared with parents. Parents are invited to a 'meet the teacher' in September.</p> <p>Staff are on the yard each morning / evening for any updates. If you require further meetings with teachers, please phone the office and we can re-arrange this.</p>
<p>Meet the teacher in Nursery should be arranged just like all other classes.</p>	<p>We offer a stay and play session each half term to our Nursery parents.</p>
<p>Encourage the school to promote active parental involvement by organizing workshops, seminars, or events that foster communication and collaboration between parents and teachers.</p> <p>Inviting parents in classes more</p>	<p>We offer many parental workshops throughout the year including, Phonics / reading with your child, Mathematics/ how to support your child at home / SAT's .</p> <p>Parents are also invited to class assembly / celebration assemblies and our yearly rounders match V's the staff.</p> <p>We are hoping to plan more parent workshops this year and invite parents into class more to share work</p>
<p>In my opinion, there should be more extracurricular activities along with the studies.</p>	<p>We offer extra curricular clubs every half term. There is always a variety of clubs. These are all offered free of charge and teachers kindly volunteer to run these.</p>
<p>More trips/ educational visits to help children understand their learning more.</p>	<p>We offer at least 2 trips a year, if not more to each year group.</p> <p>We plan lots of wow moments to engage children in their learning.</p> <p>We plan to continue to organise trips and visits and visit Blackburn museum / library etc</p>
