

Science

Children will apply their knowledge to interpret what individual food chains show. Children learn that habitats have food chains of different lengths and that there can be more than one type of prey or predator in a single chain. It is important to use examples of familiar food chains to introduce the fact that a consumer can be a predator, prey or both.

English

This term, children will look at **Folktales and Debates**. Children will begin by writing their own story based on ideas from the book 'Peter and The Wolf'. We will be developing our writing using prepositions and speech. We will be reading and analysing Kensuke's Kingdom: the classic children's adventure story of survival, family and friendship by Morpurgo, Michael. We will be gathering inferences around characters' thoughts, feelings, actions and motives, and justify with evidence from the text.

Maths

We will continue to develop **Geometry and Shape**, and begin to look at **Statistics, Position and direction**. It is important that we continue to expand our **'Times tables'** knowledge, which will help us in our Multiplication and Division unit of work.

Physical Education

A group of children will continue with outdoor adventure activities. Our focus in PE this half term will be: Principles, tactics, attacking and defending.

physical education

"Every child is a winner when they try their very best!"

DT

Cooking and Nutrition

Children will understand what makes a healthy and balanced diet, and that different foods and drinks provide different substances the body needs to be healthy and active.

Year 4 Summer Term 2 2026

Hunted

Computing

In our lessons, we will learn about **Effective Searching**. This involves locating information on the search results page and using search effectively to find out information. They will also look at **Hardware Investigators** which will involve - understanding the different parts that make up a computer and recall the different parts that make up a computer.

Religious Education

This term we will be looking at David and the Psalms; What values do you consider to be important?

Music

We are very lucky to welcome Mr Buchanan into school this year. He is an expert musician and will be teaching all pupils how to play the ukulele

Personal, Social and Health Education

How can we manage risks in different places?

Children will have a good understanding of risk and how to spot it. They will know how to keep themselves and others safe. Recognise peer influences and know how to manage them.

Year 4 Multiplication Test

The multiplication tables check is an online test for pupils in Year 4. Pupils are asked to answer 25 questions on times tables from two to 12. Use the following website to [practise the multiplication facts and test.

www.purplemash.com & www.urbrainy.com

French

Children will begin to identify new phonemes in masculine animal nouns. Join in with the words of the song by reading and singing the words

un furet	a ferret
un caméléon	a chameleon
un papillon	a butterfly
un mouton	a sheep
un cochon	a pig
