

PE Year 3 Summer 2

Outdoor Adventure and Active Learning

- Work together in teams to create maps of their school/yard.
- Use roles effectively to complete a simple task.
- Plan a treasure hunt effectively with others.
- Understand how to find different compass points.
- Use roles effectively to complete a simple task.
- Successfully decipher secret codes as a team.
- Work effectively in teams.
- Make tough decisions based on difficult survival scenarios.
- Complete an assault course showing determination.
- Support others during difficult challenges.
- Seek effectively in a group.
- Hide and tactically move to an objective.

Children will each have a basic code to break and then must complete that task before moving on. For example, a task may require children to collect a certain amount of beanbags. The children then will need to look for this and then bring them to their team and then move onto the next task.

Question

Can you support others through difficult challenges?

Vocabulary

Work together, create maps, treasure hunt, compass points, decipher codes, work effectively, assault course, determination, hide and seek tactically as a group.
