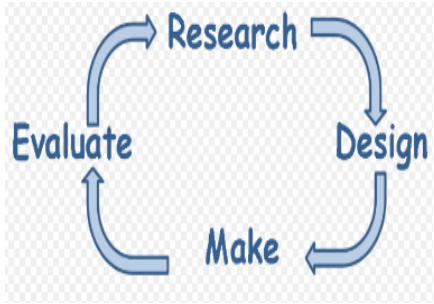
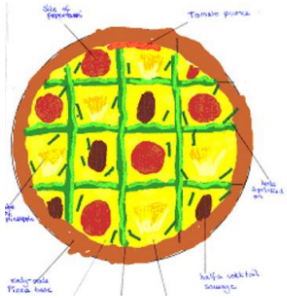
What is pizza?

Pizza is a flat bread base with a tomato sauce topping and a variety of other ingredients.

It has become popular all over the world, with different countries adapting the recipe to their own taste.





Whatever your design, make sure you are able to accomplish it!

History of Pizza

The first pizza ever made was in Italy on March 11th, 1889. This pizza was created by the Italian baker Raffaele Esposito. He made it in honor of Queen Margherita. King Umberto and Queen Margherita were the King and Queen of Italy from 1878 to 1900.
