

Years 1 & 2 Autumn Term - Menu Song

Song Bark/ Watch/Listen/ Move

Sticky Knowledge

Music

Copying a leader in a call and response song means waiting for your turn to respond.

A cumulative song is when each verse gets longer.

call and response a question and answer pattern in which a solo voice sings a phrase, and then a group of voices responds by singing something different.

Tempo is the speed of the music.

A 'walking bassline', so called because it sounds like it is walking up and down the notes.

You can play a steady beat using percussion instruments.
